MISS T ROUND UP.

What an amazing week we have had. It has been great to see the children all taking part in new and exciting things. The school mosaic looks fantastic and will be up to start the new school year. Than you to those lovely parents who organised and helped with the school disco. The children had a fantastic afternoon (and some of the staff also!).

Reminder - We have a NO NUTS policy in school please due to severe allergic reactions - Thank you

The year 5 and 6 pulled off a fantastic summer fair again this year. That was all their work. They have been working so hard this term to come up with their business ideas and source the goods. They were brilliant on the day at selling their products and managed to make a profit of to be announced. We had a really lovely email from a governor to say how impressed they were with the children's variety of games and activities and the effort that had clearly been put in. So, a big thank you and well done to Year 5 and 6.

One of my favourite parts of the year is the memories assembly. Year 2 and 6 presented so brilliantly about their time in school. It was so nice to hear all the lovely things they have enjoyed and felt about the school. I am really looking forward to teaching year 2 next year and hope to help continue their love of school. Year 6 know how I felt about them, but it was brilliant to watch their reactions to their old photos. Thank you to everyone who came and shared these memories with the children.

Our Trip to Joseph was fantastic. For some children this was their first time in a theatre. As the show went on the faces of the children lit up more to the point when it was the finale and they were all on their feet having a boogie. We had some lovely comments from other theatre users and members of public on the street to say what lovely children they were, how well behaved they were and how nice it was to see them enjoying themselves. This is the feedback we get when we go on any trip. I am so proud of taking them places as they always represent the school so well and this allows us to go on all these amazing trips.

A huge thank you to everyone who has helped and supported events this week. The support you have given this week has really allowed the children to excel in their activities.
